*"SeaStar is chock full of originality..."*  
(*J.W. McClure, Victory Music*)

Never Go Back, is the third release from Seattle band, SeaStar. Since their beginnings in 2007, SeaStar's music has been described as both "timeless" and "authentic". In this latest collection of dusty dreams and salty seas, award winning singer songwriter, Fae Wiedenhoeft (pronounced Wee-den-hauft), presents her powerful vocals, contagious melodies, and singable choruses in a tea party fusion of Celtic, Folk, Americana, and Bluegrass.

Alongside of Wiedenhoeft's vocals are band members Captain Chambers (bass), Michael Falcone (piano, vocals, percussion), and Ron Allen (acoustic, electric, and slide guitar). Fae also plays guitar, mandolin, banjo, and accordion on the album. Together, they support the songs effortlessly through a variety of different moods: dusty Americana postcards, Celtic anthems, hints of bluegrass and old-time, passionate ballads, and more.

Never Go Back stands as a strong listen from start to finish, full of thoughtful, fun stories that at once assert their individuality yet join together as a collective work. The album also features the multi-award winning song, "The Little Western". This tune achieved First Place in the Robert Kotta Songwriting Contest as well as Second Place in the Seattle Maritime Festival's Stories of the Sea Contest. Wiedenhoeft's traditional sounding compositions and clever story-driven songs are loved and revered by many across the globe. The band's passion for musical storytelling is only surpassed by their desire to share it with others. They have played across the US, Canada, Ireland, Turkey, Poland, England, France, and Scotland, sharing the stage with folk legends like Dougie MacLean.
